Dear Musco Center Patron,

By Chapman University directive in response to health authority's advice on Coronavirus, Musco Center has cancelled all scheduled performances for the next eight weeks, through early May. We support this decision and feel it is in the best interest of the University community, City of Orange, and the region.

For those of you holding tickets to the cancelled events, please watch your inbox for instruction on how to receive a refund. We will also provide information on how you can help us and the cancelled artists through this challenging time by donating the value of your tickets, which is tax-deductible.

We remain deeply grateful for your continued support and encouragement and look forward to welcoming you back to Musco Center as soon as the pandemic de-escalates. For additional updates and information, please visit muscocenter.org.

Sincerely,
